Total AUM is as of 12/31/2010, is self-reported and includes: Discretionary and nondiscretionary assets under management, per Form ADV guidelines. Client assets not reported as AUM on Form ADV for 12/31/2010, but for which the firm receives a management or advisement fee. Not included in this total is any of the following: 1. Commissioned products such as A, B, or C class mutual funds or deferred annuities; 2. Brokerage account assets for which you receive fee compensation under the expanded B-D exemption (i.e., the old Merrill Lynch rule); 3. Any assets for which you receive a trail commission or ongoing a trail or ongoing service commission.
